## Beach clean-up

**OVER 100** volunteers from the Forest Research Institute Malaysia (FRIM), University Malaysia Sabah (UMS) and Kota Kinabalu City Hall (DBKK) jointly organised a gotong royong to clean up the Tanjung Lipat beach in Likas, Kota Kinabalu, Sunday. The gotong royong was initiated by FRIM as part of its community service as well as to increase public awareness on the importance of community involvement in the protection and conservation of the marine ecosystem. FRIM Human Resources Director Wan Rahmah Wan Roaf said the gotong royong was also aimed to strengthen the relationship between FRIM and its counterparts in Sabah in the spirit of 1Malaysia.
