Seminar on medicinal plants on Aug 3

KUALA LUMPUR: Some 200 researchers, medical practitioners, academicians and entrepreneurs are expected to take part in the 12th Medicinal and Aromatic Plants seminar here next month organised by the Forest Research Institute of Malaysia (Frim).

In a statement, Frim said among others, a paper on the benefits of the Tongkat Ali (*Eurycoma longifolia*) plant on men's health would be presented at the seminar by consultant andrologist Prof Emeritus Dr Mohd

Ismail Mohd Tambi.

The two-day seminar from Aug 3; themed "Harnessing the Tropical Herbal Heritage: Recent Advances in R&D and Commercialisation", is aimed at enhancing the awareness on the potential of the herbal industry.

Further information can be obtained from Zunoliza Abdullah or Salbiah Man at 03-6279 7339 / 03-6279 7348 or e-mail zunoliza@frim.gov.my or salbiah@frim.gov.my or the website at www.frim.gov.my.
