# Great wardrobes

**M**AXIMA has been the market leader for intelligent built-in wardrobes; best known for creating unique and elegant wardrobes incorporating advance technology. It provides the perfect wardrobe solution for people from all walks of life backed by their 30 years of experience in the industry,

Maxima is now the One Stop Centre for the built-in furniture of your whole house. Beside wardrobes, Maxima provides a full range of design and built-in furniture for your living, dining as well as your kitchen. It utilises the Space Solution System which adopts German Technology, making your home more spacious and elegant.

Maxima's Original Anti-Jump System has won the International Australian Design Mark award

as well as obtained the Test BS 4875 by FIRA International Ltd, England. Its strength and durability has been assessed by FRIM (Malaysia) in 2006 which means Maxima's original Anti-Jump System has gone through 40,000 cycles of "open and close". It will last you more than 55 years if you "open and close" your sliding door twice a day or 36 years if thrice a day. No wonder Maxima's Original Anti-Jump System comes with a 10-year warranty.

If you are planning to furnish your home for the coming festive seasons, visit any of their showrooms at Subang Jaya (03-5636 8191) or Taman Tun (03-7727 9116).
