## **FRIM canopy walkway closure**

THE Forest Research Institute Malaysia (FRIM) will close the Canopy Walkway (**above**) near its headquarters in Kepong, from Aug 27 to Sept 5, in conjunction with the Aidilfitri holidays. FRIM's corporate management head Norhayati Nordin, in a statement, said the walkway would reopen on Sept 6. Visiting hours are from 9.30am to 2.30pm, except on Mondays and Fridays. The hanging bridge which was closed for repairs and maintenance since Dec 1 was re-opened last Tuesday. Located in the Bukit Lagong Forest Reserve, the walkway system spanning 150 metres is suspended between trees at about 30 metres above ground. The bridge has three rest platforms which offer visitors a panoramic view of the forest.
