DEC 2 & 3: FRIM is organising a talk entitled *R,D&C for Sustainable Agarwood Production*, which aims to highlight the institute's research, development and commercialisation (R,D&C) in *gaharu*, as well as to identify the needs of the agarwood industry. There will be a demonstration of agarwood inoculation techniques, as well as visits to the Tissue Culture, Seed Technology, Genetics, Phytochemistry and Laboratories, germplasm Aquilaria species plot and agarwood distillation system in FRIM. Participation is limited to 100 persons, on a first come, first served basis. Fee: RM350. –
