3 FUN ACTIVITIES AT FRIM

The Forest Research Institute of Malaysia (FRIM) is hosting an open day today from 8am to 1pm, with various activities and games relating to creating awareness on the importance of protecting its status as a national heritage. The event, which is held to mark the World Environment Day and FRIM's 30th anniversary celebration, will give the public a chance to visit the National Herbarium at FRIM, where 350,000 plant specimens are kept. Visitors can also take part in traditional games, colouring contests, slow bicycle race and museum hunts. Admission is free. For details, visit www.frim.gov.my or call 03-6279 7529 / 7591.
