OCBC Bank (M) Bhd chief executive officer Datuk Ong Eng Bin (seated, seventh from left) led the way as some of his staff planted 80 hardwood and fruit-bearing trees at Field 43 of the Forest Research Institute of Malaysia recently. The go-green initiative, spearheaded by a team of OCBC Young Bankers, saw saplings of trees such as cengal, merbau, rambai and jambu bol planted at the designated spots in the world-renowned man-made forest reserve.
